Dear Students and Families,

Summer is almost here and we are very excited to release the 2019 Student Summer Calendar! We have a number of fun and potentially life-changing events that we would love for you to join us at!

Along with our weekly Summer Night activities on Wednesdays we will also have weekly Home Groups. The Home Groups are great opportunities for students to connect, have fun, and grow together!

We hope this calendar helps you plan your involvement in our student ministry. We look forward to what God will do in the lives of our students this summer!
